Contact Person: _____ Mobile: _____

Tel: _____ Fax: _____

NOTE: Exhibitors have the responsibility to read through the Exhibitor Manual, also supervise their decoration company to obey all regulations on the manual strictly. Visit the official website to download the Exhibitor Manual: www.stonefair.org.cn.

SIX Important notices about booth setup and dismantling:

1. Deposit for Booth Setup (Suggested to be paid by booth decoration companies)

Booth Setup Deposit should be paid to the venue before the booth setup starts. It is suggested to be paid by booth decoration companies. Credit card is accepted. The deposit will be refunded if all the samples and wastes are moved out after fair closed.

Booth Area (m ²)	6-50	51-100	101-200	over 200
Deposit (CNY)	3,000	4,000	5,000	6,000

2. Specific location for stone cutting and grinding: North side of Hall A4 and Hall A7.

3. According to the regulations of Fire Safety Authorities, fire-proofing and anti-fire materials should be used for decoration. Especially the fire-proofing panel walls and carpets are required.

4. Limits of Booth Height and Floor load:

Hall	A1-A8	B1-B7	C1/C2/C4/C5	C3L	U/V	W
Uniform Height (m)	5	5	5	4	2.5	5
Maximum Floor load (t/m ²)	2	3.5	3.5	1	1	3.5

Note: Uniform height of raw space is subject to space contract.

5. To keep the overall image of the whole exhibition, the company whose decoration is higher than neighboring booth should take responsibility to cover the backside of its own booth, but do not show company's name and LOGO. Otherwise, the fair committee keeps the right to enforce this regulation.

6. The Booth Dismantling Time starts from 16:00 on March 9, 2018. All cargos and exhibition frames should be moved out overnight to avoid any loss.
